

# MORRIS COUNTY AGRICULTURE DEVELOPMENT BOARD

## MISSION STATEMENT

The Mission of the Morris County Agriculture Development Board is to:

- |                 |  |
|-----------------|--|
| <b>PRESERVE</b> | agriculturally viable lands through the purchase of development easements.   |
| <b>PROVIDE</b>  | timely and impartial decisions concerning right-to-farm conflicts.   |
| <b>PROMOTE</b>  | participation in eight year farmland preservation programs.  |
| <b>EDUCATE</b>  | citizens and government officials of the important role agriculture plays in the community.  |
| <b>PROMOTE</b>  | the future viability of agriculture as a profession.   |
| <b>INCREASE</b> | public awareness of farmland preservation.   |
| <b>ASSIST</b>   | municipalities in establishing right-to-farm ordinances consistent with the Morris County Agriculture Development Board's model right-to-farm ordinance. |
| <b>ASSIST</b>   | the State Agriculture Development Committee to become the national leader in farmland preservation.  |
