

# Morris County Preservation Trust Recommended Open Space Projects for 2012

## Drakestown Addition - Biggiani J

**Submitted by:** NJ Conservation Foundation

**Type of Acquisition:** Acquisition in Fee Simple

**Grant Amount:** \$96,000

**Location:** Washington Twp.

**Acreage:** 6.94

### Description:

Located southeast of Flocktown Road, this property contains both wetland and upland forests at the headwaters of the South Branch Raritan River. It is located adjacent to a remote parcel of the South Branch Headwaters Preserve project, which was funded with the assistance of a county open space grant. Acquisition will build upon preserved lands in the region and promote passive recreational opportunities.
