Grant Recipient: First Presbyterian Church & Congregation of Dover

Location: Dover Town

The 1901 Romanesque Revival church is a key contributing resource in Dover's Blackwell Street Historic District as listed on the National and New Jersey Historic Registers.

Grants received in 2004~2008 assisted with the preservation of stained glass windows in the Bell Tower, main sanctuary and the front façade.

A Preservation Plan for the building was completed with assistance of a separate 2007 grant.

The church will use the 2009 grant toward the replacement of the built-in gutter with a new copper gutter, installation of an ice and water shield, repair/replacement of damaged wood sheathing and replacement of broken tile.
