First Presbyterian Church of New Vernon

2012	\$125,703	Window Restoration
2012	\$33,566	Preservation Plan
2013	\$29,736	Contract Documents
2014	\$257,535	Foundation Stabilization
2015	\$300,000	Roof Replacement

Grant Recipient: First Presbyterian Church of New Vernon

Location: Harding Twp.

The Federal and Gothic Revival First Presbyterian Church of New Vernon, constructed in 1833 by the builder Elijah Hopping, is located at the crossroads of the community. The building is a contributing resource in the New Jersey and National Register Historic District.

The 2012 Construction grant assisted with the stabilization and restoration of the church windows. A separate grant has provided for the preparation of a Preservation Plan.

The 2014 grant has provided for the stabilization and underpinning of the foundation, and the installation of perimeter drainage.

The 2015 grant will complete roof replacement, structural work and chimney repointing.
