South Street Presbyterian Church

2014	\$23,640	Construction Documents
2014	\$297,512	Roof Restoration
2015	\$219,168	Phase II Exterior Restoration

Grant Recipient: Presbyterian Church in Morristown

Location: Morristown Town

The 1878 South Street Presbyterian Church / Parish House was in the Romanesque Revival style and designed by the architect J. Cleveland Cady. The site contributes to the Morristown Historic District and has an individual Certificate of Eligibility for listing on the State and National Registers.

The 2014 grant is providing for work on roof, masonry, and rebuilding of bell tower steps. The 2015 grant will provide for Phase II Exterior Restoration including slate roof, bell tower louvers and wood dormers.
