NOTE: Alexandria City is an "Independent City" not affiliated with any county.

2015 data is only available for geographic areas with a population of 65,000 or more.

Data are based on a sample and are subject to sampling variability. The degree of uncertainty for an estimate arising from sampling variability is represented through the use of a margin of error, which may be relatively large for smaller geographies and population sub-groups. In addition to sampling variability, the ACS estimates are subject to nonsampling error.

For information on ACS methodology, see: http://www.census.gov/acs/www/methodology/methodology_main

For information on Accuracy of Data, see: http://www.census.gov/acs/www/data_documentation/documentation_main
