

# Morris County Preservation Trust Recommended Open Space Projects for 2011

## Angen LLC

**Submitted by:** NJ Conservation Foundation

**Type of Acquisition:** Acquisition in Fee Simple

**Grant Amount:** \$299,000

**Location:** Washington Twp.

**Acreeage:** 44.44

### Description:

This wooded tract is located to the southwest of Zellers Road, within a region of many acres of preserved open space and farmland. The land will be managed for passive recreation use including nature observation and hiking. Acquisition will add to the preservation of the forest of Schooley's Mountain and protection of important headwater streams flowing to the South Branch of the Raritan River.
