

# Morris County Preservation Trust Recommended Open Space Projects for 2008

## Lewis Morris Park Connector - Leddell Preserve

**Submitted by:** Mendham Twp.

**Type of Acquisition:** Acquisition in Fee Simple

**Grant Amount:** \$1,850,000

### Description:

Located at the intersection of Tempe Wick Road and Leddell Road in the heart of the Township's scenic Tempe Wick Historic District, these three properties totaling approximately 70.4 acres are predominantly wooded. The properties are directly south of Lewis Morris Park, and west of Jockey Hollow National Historic Park. The property includes the headwaters of the Passaic River, a Category One Trout Production waterway, and its associated wetlands. Mendham Township will share ownership with the Morris County Park Commission upon acquisition.
