

# Morris County Preservation Trust Recommended Open Space Projects for 2008

## North Branch Addition to Schiff

**Submitted by:** Schiff Natural Lands Trust, Inc.

**Type of Acquisition:** Acquisition in Fee Simple

**Grant Amount:** \$1,750,000

### Description:

These three tracts totaling approximately 48.9 acres are located off of Mosle Road. The properties contain significant upland forest, a small pasture, and approximately one-half mile of frontage on the North Branch of the Raritan River. Acquisition of these lands would protect the wooded stream corridor and further permit public access to this resource.
