

# Morris County Preservation Trust Recommended Open Space Projects for 2007

## Tannersbrook Woods

**Submitted by:** Chester Twp., Washington Twp.

**Type of Acquisition:** Acquisition in Fee Simple

**Grant Amount:** \$1,900,000

### Description:

This 102-acre acquisition includes 29 acres located in Washington Township, and is located north of Old Route 24, west of Route 206. The properties are adjacent to the Black River Wildlife Management Area, and provide a logical extension to this preserve. The properties contain existing logging roads ideally suited for trails, and a cabin that can be utilized for scouting opportunities.
