## Mead Hall

2018 \$26,268 Preservation Plan

---

**Grant Recipient:** Drew University

**Location:** Madison Boro.

The 1833 administration building on the campus of Drew University was originally built as a residence for William Gibbons and his family. Mead Hall is considered one of the finest examples of Greek Revival architecture north of the Mason-Dixon Line. The building was restored in the 1990s after a fire. Mead Hall is listed individually on the Historic Registers.

The 2018 grant will assist with preparation of a Preservation Plan.
